

KRANBOX

MICRO INTERNSHIP

MARCH 15, 2022

MARCH 19, 2022

MARCH 29, 2022

MDCP is excited to once again partner with KRANBOX to offer this amazing Film Production Micro Internship.

This micro internship is ideal for students who want to learn more about film production. Students will get hands-on experience planning a video shoot, shooting a short film, and touching every aspect of the production from lighting, camera, audio, directing, and editing.
