Apple Valley Unified School District

At Apple Valley Unified School District, strong Career Technical Education programs have long been at the heart of what helps make us great. Currently, AVUSD offers CTE pathways in ten industry sectors across several high schools. Students participate in hands-on learning on industry-standard equipment in each of these sectors.

We have students (from AVHS and GHHS) the regional Medical Explorers program, interns in medical offices across the region, and students competing in industry-specific competitions at the regional, state and national level in SkillsUSA, HOSA and FFA.

With strong industry and postsecondary partnerships across the High Desert, we strive to ensure our students complete our pathways with the skills needed to succeed in careers and postsecondary education. Our students receive industry recognized certifications such as Precision Exams, Cardiopulmonary Resuscitation (CPR) - American Heart Association, Foodhandlers, National Institute of Metalworking Standards (NIMS), Automotive Service Excellence (ASE) and Medical Assistant Certification from National Healthcare Association (NHA).

We believe in collective impact and know that through continued partnerships with industry, postsecondary, government, community organizations, and other K12 districts, we will be able to build strong community leaders and prepare our students for the workforce.

HIGHLIGHTS

All CTE Industry Sectors at AVUSD have a minimum of one course articulated with Victor Valley College and San Bernardino Valley College.

Industry recognized certifications offered through AVUSD are Precision Exams, Cardiopulmonary Resuscitation (CPR) from American Heart Association, Foodhandlers, National Institute of Metalworking Standards (NIMS), Automotive Service Excellence (ASE) and Medical Assistant Certification from National Healthcare Association (NHA).

All CTE students have access to a CTSO: SkillsUSA, HOSA or FFA.

AVUSD has several California Partnership Distinguished Academies at Apple Valley High School.
