## Snowline Joint Unified School District

The Snowline Joint Unified School District (SJUSD) encompasses the communities of Wrightwood, Phelan, Pinon Hills, Baldy Mesa, Oak Hills, West Cajon Valley, and portions of Victorville. Our district is committed to preparing our students for their futures by offering them opportunities to participate in one or more of our 11 Industry Career Technical Education (CTE) Sectors offered at Serrano High School and Chaparral High School.

Snowline's mission through CTE is to empower students to be successful citizens, workers, and leaders in a global economy, while providing lifelong skills with academic and technical preparedness to succeed in their chosen careers. Local businesses across all industry sectors have indicated the immediate need for skilled workers. Guiding students through CTE pathways will provide them with the skills, knowledge and confidence necessary to help to fill those gaps in the workforce and encourage them to work in the same community they call home.

SJUSD also offers four Career Technical Student Organizations (CTSOs), including

DECA, FFA, HOSA, and/or Skills USA. When CTSO instructional tools are integrated into the CTE curriculum by trained, dedicated and enthusiastic educators, our students learn to become productive citizens and assume roles of leadership in their future careers.

**HIGHLIGHTS**

Industry Certificates offered: State Food Handlers Card, CPR & First Aid Certifications, Adobe Photoshop, and Microsoft Certifications.

Snowline offers 10 Industry Sectors with 17 Pathways

DECA, FFA, HOSA, Skills USA
