Victor Valley Union High School District

Victor Valley Union High School District's Career Technical Education (CTE) program offers cutting-edge, rigorous and relevant Career Technical Education courses at Adelanto High School, Lakeview Leadership Academy, Silverado High School, Victor Valley High School, and Victor Valley Adult School. Through a combined focus on technical and soft skills, CTE courses are designed to allow students to explore and prepare for a wide range of high-wage, high skill, and in demand careers.

Students who participate in VVUHS's CTE program have access to high-quality curriculum and instruction leading to industry certificates and or licensure. CTE classrooms are equipped with top of the line industry standard equipment to allow students access to relevant hands-on activities and work-based learning opportunities. VVUHS has aligned its CTE pathways with Victor Valley College's (VVC) CTE course of study, articulating multiple classes allowing students to earn both high school and college credit consecutively.

Equally important, VVUHS offers CTE dual enrollment programs at each of its CTE sites, this program allows high school students to take college classes on the high

school campus free of charge. Victor Valley Union High School District's commitment to a high quality CTE program is a commitment to preparing our future workforce and your future employee.

HIGHLIGHTS

All VVUHS High School CTE courses are UC/SCU A-G approved

10 out of 11 CTE industry sectors at VVUHS have minimum of one course articulated with VVC for college credit .

Adelanto, Silverado, and Victor Valley High Schools all offer CTE Dual Enrollment courses.

Victor Valley and Adelanto High School offer a pre-apprenticeship program through the Southwest Carpenters Union.
